

# The whole industry, covered.

DropMagnet's naming service **MetaURLs** are self-referential links such as JoshuaNewton.director.link and AlexanderNewton.actor.link

actress.link, editor.link, screenwriter.link, cinematographer.link, composer.link, costumedesigner.link, producer.link, and me.link are also available for industry professionals.

Whatever the movie industry job, there's a MetaURL that can represent the person.

**[YourName] [.YourJob] [.link]**

*MetaURL link structure*

MovieKey and DropMagnet are  
partnering to enable those who own  
MetaURLs to become MovieKey  
affiliates and earn from recommending  
movies.
